Toastmasters International (TI) is a nonprofit educational organization that operates clubs worldwide for the purpose of helping members improve their communication, public speaking, and leadership skills.

Meet members of the local chapter, FRC Toastmasters, who will describe the program and how it provides a fun and supportive learning environment in which every individual member has the opportunity to develop oral communication and leadership skills, which in turn foster self-confidence and personal growth.

Toastmaster club members come from every walk of life. From college students to Fortune 500 professionals, you will find it all here! If you are interested in networking, making friends and growing personally and professionally, you are welcomed as a member!

Please join us for this informational program.
