Abigail Adams is a woman who calls it like she sees it, and Kim Hanley shows us a woman who will confront something that needs to be addressed, even if it makes her uncomfortable. Abigail is an upper class woman who married a man she respected, a life partner who took her seriously. Although Abigail is sometimes belatedly considered elitist for believing that uneducated Americans had not earned a vote, Kim reminds us that our first Second Lady and second First Lady wanted a knowledgeable electorate able to make informed decisions.

Kim Hanley is a fine actor, singer, costumer and dancer. She trained and danced from an early age with the School of American Ballet and the Eglevsky Ballet in New York, as well as with the visiting Bolshoi Ballet and Stuttgart Ballet. She credits her dance background and in-depth high school acting courses, including daily vocal labs and onstage work, for her ability to rise to any occasion when performing. In addition to her dance background, Ms. Hanley is an accomplished costumer whose specialty is historical fashion.
