A SUMMER MESSAGE FROM OUR DIRECTOR

Welcome to the Pequanock Township Public Library!

Our mission is to create a community of readers and to empower individuals by providing free access to information and a universe of ideas. Our staff is devoted to connecting you with the information you need to improve and enrich your life. We are glad you are here!

Our library is part of the MAIN consortium. What that means to you is that you have access to over 5 million items. If we do not have the item you would like in our library, there is a great chance we will be able to borrow it from another library and have it brought here for you. To see all of the wonderful materials you are able to borrow, just visit the library's website or you can download the MAIN Library app in the Apple App or Google Play store.

In addition to books, the library has magazines, DVDs, books on CD, as well as access to eBooks and audiobooks through apps like Libby and Hoopla. Our ever popular Community Lending Center carrying items such as Tonies, a table tennis kit or a telescope, binoculars, and even an electric drum kit. Check out our website to see a full list and make your summer extra special with more from your public library.

Programs continue into the summer months! Make sure to check out our weekly Mother Goose and Family Storytimes. We also have a variety of other programs throughout the month, so be sure to check out our calendar and sign up for our weekly newsletter.

As you can see, Pequanock Township Public Library is more than just books. Everyone is welcome here. Stop by and visit us today! We look forward to serving you.

Warm regards,

Jean Moroz, Director & the PTPL Team
